Pro Bono Services

Thank you to **Roger Ellingson** who spent 60 hours assisting a low income client and her special needs children who had been terrorized by a neighbor and his aggressive dog. Roger succeeded in getting the Human Society to issue a second Potentially Dangerous Dog Determination (the first having been dismissed before his involvement due to procedural irregularities) to address the harassment. This vulnerable client family is very grateful.

Thank you to **Tom Resick** who assisted an elderly tenant who suffered from dementia and who, as a result of his confusion, was not complying with certain paperwork requirements of the landlord. Tom had to file suit to reach a settlement that saved the tenant's housing.

Be always at war with your vices,
at peace with your neighbors, and
let each new year find you a better man.
