Thank You All!

Dear Friends,

Once again this October, The bar community buoyed the spirits of LAW Advocates' staff and board at Lawyers take Orders. As event preparation accelerated, the national economic crisis grew, and we feared the growing financial uncertainty would mean that this local fund raiser would be in the tank. The 190 community and bar members that joined in the evening of festivities rallied to the cause, and gave generously. Thank you!

We will shortly be sending around a pictorial flyer giving credit to the scores of people who gave items, made bids, and who volunteered their efforts. Here I will just name a few:

- Board President **Kirsten Barron** was all over this event, from securing donations, to heading up the wine tasting, to setting up, decorating and cleaning up. We are lucky to have her.
- Auction Chair **Amy Robinson** used her incredible event planning skills to help bring it all together in countless ways for the third year in a row.
- Office Coordinator **Jaime Blouir** (pictured above) was at 110%, keeping all of us on target in the planning stage and good naturedly working as long as it took to get what needed to get done, done.
- **EmCee Paula McCandlis** (pictured on the left above) used her stage skills to wonderful effect on the podium and cheers our work along every week as she coordinates our parenting plan clinic.
- **Board member Linda Turner and Committee Member Cathy Marshall**, steadily and quietly, just kept working at getting the items we needed.
- Accountant **Ben Knauss and Work Study Intern Monique Nilson** looked beyond their job descriptions to join in on making this important event happen.
- Board members **Dan Parsons and Dominique Zervas** both exercised their creative juices to add distinctive and enticing large ticket items for bid.
- And so many more whom we will be telling you about in the pictorial to come.

Thank you! Thank you! Thank you!
